3. Change the region by clicking the inverted triangle button.

4. Change the region to Hong Kong

5. Choose "Metro" and click "Get now"

6. Click "agree and obtain the card".

7. A QR code will be provided to you. You can use this QR code to enter / exit the MTR.

This is the location where you can scan the QR code (which usually appears on purples machines):

How to use Alipay HK to enter the MTR:

- Requirement: users are required to link at least one bank account or a credit card to the Alipay HK account, or have sufficient balance in their Alipay HK is enough.
- 1. Click "EasyGo"

2. A QR code will be provided to you. You can then use this QR code to enter / exit the MTR.

This is the location where you can scan the QR code (which usually appears on purple machines):

How to use e-Octopus in Apple wallet to enter the MTR:

- Requirement: You only need to have cards in your iPhone "Wallet" which can transfer money to the e-Octopus. No further requirements are needed.
- There are 5 steps all together. If it is your first-time to use e-Octopus to enter the MTR, you will need to complete all 5 steps. However, if you have used it before, you can skip steps 2-4, which are only required for registration.
- 1. Go to "Wallet" in iPhone.

2. Click "+" button at the top right corner to add a new card.

3. Click "Travel Card" and choose "Octopus" under the region of Hong Kong.

Add to Wallet *

Keep all the cards, keys and passes you use every day all in one place.

Available Cards

Travel Card

Quickly pass through gates by holding your iPhone or Apple Watch near a reader.
